

Eating Between The Lines

EBTL Module 01 - Activity 12

Activity: Market Day

Outcomes

Children will understand that food comes from all over the world.

Teacher Information

See the Reading section for information on how to conduct a read aloud with your class.

You Will Need

- A copy of *Market Day* by Lois Ehlert ISBN: 0152021582 9780152021580

Procedure

Market Day shows the unfolding of a market day in another culture. Discuss some similarities and differences between our local supermarkets and the market depicted in the book. This is a good time to discuss places other than supermarkets that we can get our food from such as farms, farm stands and farmers' markets.
