

# Eating Between The Lines

## EBTL Module 02 - Activity 03

### Activity: ABC Book

#### Outcomes

Children will become familiar with many new salad-related vocabulary.

#### Teacher Information

Class-created books become a part of the classroom environment and are read and re-read many times in the reading centre.

#### You Will Need

- Construction paper
- Writing and illustrating tools
- Access to a laminator

#### Procedure

1. Assign or have children choose a letter of the alphabet.
2. Allow some time for the children to brainstorm or refer to class lists and other resources to gather ideas for food which begin with their assigned letter.
3. Children will then visually represent their letter and food(s) on construction paper.
4. Put pages back-to-back to create a book (AB, CD, EF.) Laminate, bind, and enjoy!
