

Eating Between The Lines

EBTL Module 02 - Activity 09

Activity: Fruit and Vegetable Riddles

Outcomes

Children will understand what foods create salads.

Teacher Information

See the Writing section for information about independent writing.

Procedure

Have children write riddles and share them with the class. Review a format one could use to write a riddle and give some examples. It could look something like this:

**I am sometimes round.
I can be peeled.
I am grown underground in PEI.
I am delicious baked or mashed.
What am I?**

(Potato)

Teacher Tips

Compile all the written riddles into a book to put into the reading centre.
