

Eating Between The Lines

EBTL Module 03 - Activity 10

Activity: Reading the Writing on the Wall

Outcomes

Children will be able to identify the names of a variety of breakfast foods and beverages and recognize how these foods are spelled.

You Will Need

- Three pairs of crazy sunglasses (you could just use dollar store safety glasses and decorate them with stickers)
- Spatulas, wooden spoons, and whisks for pointers
- A "Write the Walls" recording sheet (see template) and clipboard

Procedure

1. With this activity, children wander around the room wearing the crazy sunglasses, and using "pointers" to find food words and record them on their sheet.
2. As an alternative, children can read the room instead of recording the words. You could have them find words that begin with a certain letter or words that have only to do with food.
